

As an essential service provider, we take very seriously our responsibility to serve our communities in these uncertain times. We will continue to do so while maintaining our commitment to actions that protect the health and wellbeing of our employees, customers and the community.

As an essential service provider, we take very seriously our responsibility to serve our communities in these uncertain times. We will continue to do so while maintaining our commitment to actions that protect the health and wellbeing of our employees, customers and the community.

GATE is taking steps to remain vigilant at all stores during this unprecedented time, including:

- Increased time and attention to cleaning high-touch surface areas throughout our stores and restrooms, including countertops, gas pumps, door handles/locks, PIN pads, serving utensils, ATMs and lottery stations.
- Installing Plexiglas protective shields at our cash registers.
- Placed signage in windows and decals on floors to help customers practice social distancing.
- Temporarily suspended the use of refillable coffee and fountain cups.
- One-time-use gloves are provided near gas pumps or at the checkout counter inside the store. Look for them in slim boxes mounted to the columns next to gas pumps.
- Any employee exhibiting any signs of illness is being encouraged to stay home. Managers may send home any employee displaying signs of illness.
- Internal advisory group working closely with GATE leadership, store management and local and state health officials to provide the latest updates and guidance on operations.

During this time some stores may have to temporarily change their regular operating hours. Presently all stores are operating on their regular hours except for the following stores:

Store #	Address	Hours
